Application No.: 10/685179 Docket No.: 08577-00045-US

## REMARKS

Applicant respectfully request reconsideration in view of the amendment and following remarks. The applicant has amended claim 18 so that it is no longer identical to issued claim 17 of US 6,632,847. Support for the term "shaping" in claim 18 can be found in the specification at page 10, line 35. Claims 18, 19, and 34 are rejected under 35 U.S.C. 101 as claiming the same invention as that of claims 17, 19, and 18, respectively, of prior U.S. Patent No. 6,632,847. Claims 20-33 are rejected under the judicially created doctrine of obviousness-type double patenting over claims 3-16 of U.S. Patent No. 6,632,847 since the claims, if allowed, would improperly extend the "right to exclude" already granted in the patent. Since claim 18 and dependent claims 19 and 34 are no longer identical, the applicant encloses herewith a Terminal Disclaimer to obviate the obviousness-type double patenting rejection.

In view of the above amendment, applicant believes the pending application is in condition for allowance.

Applicant believes no fee is due with this response. However, if a fee is due, please charge our Deposit Account No. 03-2775, under Order No. 08577-00045-US from which the undersigned is authorized to draw.

Respectfully submitted,

By _____
